

StudyMall[™]
An Initiative

“TO BRIDGE THE RURAL-URBAN EDUCATION DIVIDE”

32 StudyMall CENTERS | 6856 SCHOOL CHILDREN

ACTIVITY REPORT 2018 - 19

ABOUT US

Thinksharp Foundation is a non-profit organization with a vision “To bridge the rural-urban education divide”.

OUR MISSION

To improve the quality of education in rural parts of India by providing modern educational infrastructure and better educational resources by working with the village community, teachers, government and other stakeholders.

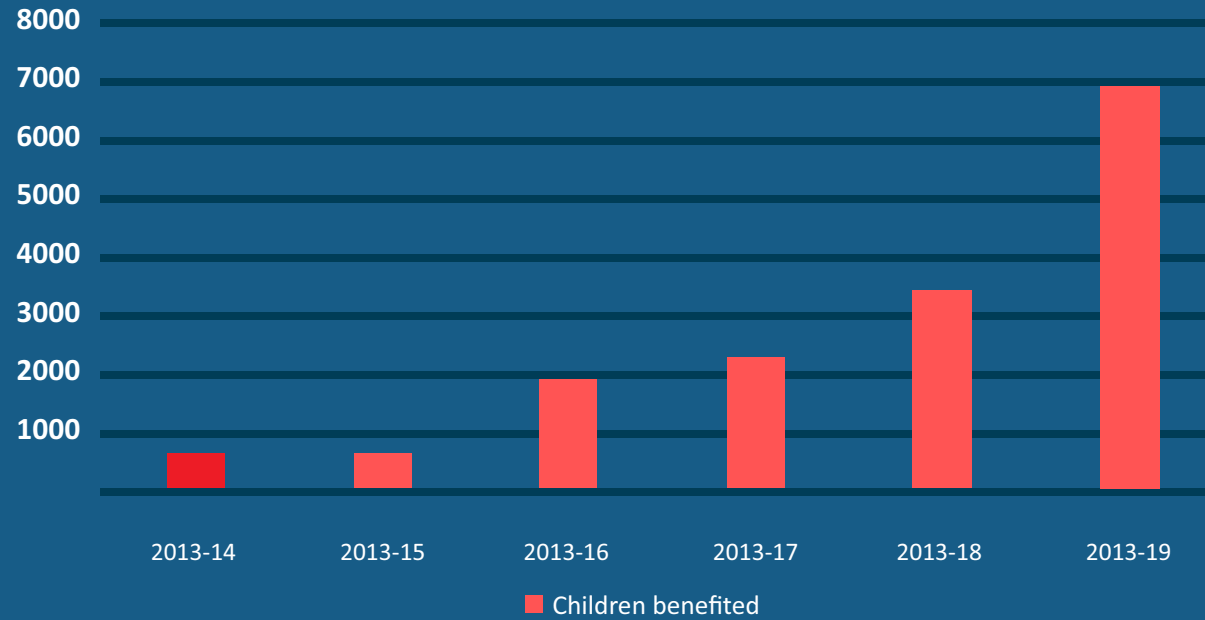

OUR WORK

StudyMall an initiative by Thinksharp Foundation to promote and support rural school education. The focus is to improve quality of educational infrastructure to provide access to quality education. All in one **Digital Class** program for interactive learning and fun while learning. **Modular school library** program for creating reading habit and to improve reading literacy. **Our aim** is to increase children's motivation to learn, improve their engagement with the help of better learning tools, improve their academic performances, increase their school attendance and reduce dropout.
